QUALITY AND INGREDIENT STATEMENT

Amway Exclusive brands are backed by extensive research and modern technology thorough Quality Assurance and a state-of-the-art distribution system.

As one the world’s leading retailers (as established by Internet Retailer magazine), Amway offers hundreds of products with over 700 worldwide patents - sustained by seven manufacturing facilities and five distribution centres.

Each of these manufacturing facilities has an intense Quality Assurance program to ensure that our products meet the stringent guidelines for performance and safety. Each raw material and finished product is analysed to assure that it meets our standards.

We are so sure of our practices that we can stand behind the quality of our products and guarantee your satisfaction. If for any reason you try our product and are not completely satisfied, you may return it within 90 days of purchase for an exchange or refund of the product price.

As the information pertaining to our ingredients are considered proprietary, we do not disclose specific data related to these ingredients. However food, nutrition, cosmetic and personal care items ingredients can be found on the label www.amway-europe.com
